### Non Asbestos Flange Gaskets (full face) AS2129

<b>Application:</b>	Air, water, gas and some chemicals. Contact Dixon for specific data.
<b>Design:</b>	An all purpose flange gasket manufactured from Aramid fibres bound with Nitrile Butadiene Rubber (NBR).
<b>Pressure Rating:</b>	Working Pressure 1600 psi (11 MPa)
<b>Temperature Rating:</b>	Maximum 400°C
<b>Standards:</b>	Complies with ASTM F712230-M5 and DIN3535 parts 4 and 6.
