DATA SHEET

MAR PVC Marineflex Water Suction & Delivery Hose

Designed with a smooth bore to reduce friction loss and build-up of residue, this lightweight suction and discharge hose is well suited for use with bilge pumps and pond pumps. Its versatility sees it commonly used as a waste water hose for caravans and RV's, a lightweight air seeder hose, ducting for dust extraction and a low voltage cable conduit.

Hose Construction

Tube: PVC smooth - black
Cover: PVC corrugated - black
PVC corpledded rigid believ black

Reinforcing: PVC embedded rigid helix - black

Features

- · UV stabilised
- Abrasion resistant
- · Light weight
- · High flexability
- Extruded

Temperature

• -5°C to 60°C

Standards

Nil
